25X1 6. (Unclassified - [ ] Talked with Jack White, in the office  
25X1 of Representative Joel T. Broyhill, and advised him that on the basis  
25X1 of our prior meeting, the Inspector General had thoroughly investigated  
25X1 the claims made by [ ] that he found no basis for [ ]  
25X1 claim for overtime pay nor did he find any basis for action on the  
25X1 "criminal charges which [ ] had made. (See IG memo.) Mr. White  
25X1 said [ ] had been in touch with them repeatedly but he was going to  
25X1 close out the case indicating that Mr. Broyhill had received the substance  
25X1 of the IG's report and was not in a position to take any further action.

25X1 7. (Internal Use Only - [ ] Met with Mrs. Janet W. Fraser,  
Administrative Assistant to Congressman George A. Goodling (R., Pa.),  
and advised her that we were unable to comment on the Congressman's  
letter concerning the York newspaper report of the JOURNAL AMERICAN  
Items. I provided Mrs. Fraser with a copy of the 3 March WASHINGTON  
POST item and of Senator Dodd's floor speech of 17 February. Mrs. Fraser  
thanked us for the assistance and indicated no written response would be  
expected.

25X1 8. (Internal Use Only - [ ] Met with Mr. John H. Martiny,  
Associate Counsel, House Post Office and Civil Service Committee,  
who advised that Congressman James H. Morrison had introduced a new  
pay bill in the House today that was similar to the bill as amended on the  
floor last week with the exception of provision for elected Members of  
Congress. Such a bill would obviously require quite a bit of change before  
final action could be taken on it.

25X1 9. (Internal Use Only - [ ] Met with Mr. William P. Gullledge,  
Staff Director & Counsel, Senate Post Office and Civil Service Committee,  
who advised that there are no present plans for introduction of a pay bill  
through the Senate Committee, but that he is aware of our interest and  
will advise should such a bill come up for consideration in that Committee.
